Contracting LLC

TAAMEER PLUS CONTRACTING

Construct A Better Tomorrow

CHAIRMAN`s MESSAGE

Welcome to our company, **Taameer Plus Contracting LLC**. Taameer Plus has gained a good reputable name in the market over the years. !rough hard work, professionalism, and dedication it has become one of the leading companies in Dubai is within the industry of design, fitout, decoration and contracting.

I am confident that after meeting the Taameer Plus family, my family, your experience with us will be a turning point in your understanding of construction and a fruitful start to a continuous business relationship as we build trust before concrete.

Mr. Fahim Al_Ali

ABOUT US

Taameer Plus Contracting L.L.C was established in Dubai in 2015 as a small technical services company and has grown steadily through out years of gaining exceptional experience in the market till today, Taameer Plus is a full-service contracting company with well-trained staff and employees delivering high quality and standards, using the late of the art engineering processes.

OUR AIM

Taameer Plus primary goal is to achieve the highest quality in all our operations without compromise. Our objective is to ensure smooth forward improvement of our company performance, while offering our customers a safe, cost-effective, and professional service.

Our goals are the most sustainable in the world of business. Quality performance is the cornerstone and part of company culture and is considered a personal responsibility of all employees. To maintain quality performance of our business units at the highest level, the following aims are pursued:

- To fulfill or exceed customer needs and expectations by delivering a quality project consistently and promptly.
- To maintain the commitment to continuous improvement of performance and communicate our goals and objectives to every employee.
- To promote a working environment where training and tools are provided so that work can proceed safely and efficiently manner.
- To implement a system of policies which are periodically reviewed to ensure the ability of all working groups to perform their work effectively.

OUR SERVICES:

Taameer Plus is a pioneer General Contractor in United Arab Emirates, construction solutions professional and cost-effective manners.

We are proud to deliver the best services in various fields of :

- **Construction.**
- **Decoration.**
- **Fitout.**
- **Maintenance.**
- **Renovation.**

-Turnkey Projects:

Taameer Plus provides experienced and knowledgeable professionals to handle all phases of project construction. As a General Contractor, we handle all types and volumes of projects ranging from new construction to renovations. Our project management team maintains full coordination throughout all project phases with our field staff, and qualified subcontractors delivering project on schedule with the highest standards of safety, and quality, to insure meeting the deadline of our projects.

-Design And Build:

Taameer Plus handles Design-Build projects, by entering into a direct contract with the client to provide all design aspects related to structural, architectural, and electromechanical works. Taameer Plus has the personnel, working together as a team, to evaluate alternative materials and methods efficiently, and accurately. Value engineering and construction ability are utilized continuously and more effectively, when designers and Taameer Plus work together as a team during the entire design process. . These steps ultimately save the owner significant amounts of money and time.

OUR TEAM:

Taameer Plus is a very selective company when it comes to the selection of staff and employees. As we consider our good employees as the real treasure of our company. Through years Taameer Plus succeeded to add an experienced team made up of professional, creative, and hardworking Engineers who are motivated to deliver projects with uncompromising quality, with best economical solution and shortest time, trustworthy relations is a main key for us for building up good relations with local private and government agencies.

Dear Sir,

Subject: Letter of Appreciation

Project: Atlas Copco Services Middle East OMC

We confirm that 'Taameer Plus Contracting' have carried out the development of the above-mentioned project. They have completed the works in accordance with the contract requirements and within the approved time frame.

During the construction, Taameer Plus Contracting have shown a satisfactory degree of planning, coordination, and quality of workmanship. They made very good recommendations during the design phase of the project and the communication from their team was very good. They have also been more than willing to accommodate some changes we requested during the project.

We are writing this letter to extend our appreciation to Taameer Plus Contracting for the successful completion of the project. It was a pleasure working with your team.

Once again, we would like to thank you and congratulate you for your hard work and wish you all the best in your future projects.

Kind regards,

Nicole Rowe
